Adjoint: AI Copilot for Unity

February 12, 2026

Introduction

Adjoint ("we," "our," or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our software, *Adjoint: AI Copilot for Unity* (the "Service"). By using the Service, you agree to the terms of this Privacy Policy.

Information We Collect

We may collect the following types of information:

- **Personal Information:** Information you provide directly, such as your name, email address, or account credentials.
- **Usage Data:** Information automatically collected when using the Service, including your interactions with the software, error logs, and performance metrics.
- **Device Information:** Data about your device, operating system, Unity version, and other technical details needed to optimize the Service.

How We Use Your Information

We use the information we collect to:

- Provide, maintain, and improve the Service.
- Analyze usage patterns and improve software performance.
- Communicate with users regarding updates, technical support, or promotional materials.
- Comply with legal obligations and prevent fraudulent or unauthorized activities.

Data Sharing and Disclosure

We do not sell or rent your personal information to third parties. We may share information with:

- Service providers who help us operate, maintain, or improve the Service.
- Legal authorities when required by law or to protect our rights.

Data Security

We implement reasonable administrative, technical, and physical measures to protect your information. However, no method of transmission over the Internet or electronic storage is 100% secure. We cannot guarantee absolute security.

User Rights

You may have rights under applicable laws to:

- Access, update, or delete your personal information.
- Opt-out of certain data collection or marketing communications.

To exercise these rights, please contact us at ashank@adjoint.pro.

Third-Party Services

The Service may integrate or interact with third-party services. Their privacy policies may differ from ours, and we are not responsible for their practices.

Children's Privacy

The Service is not intended for children under 13. We do not knowingly collect personal information from children.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. The revised version will be effective immediately upon posting within the Service. We encourage you to review the Privacy Policy periodically.
